AKURA

PLANT NURSERY

Price list 2026

We supply a wide range of native and exotic trees to farmers, lifestylers and landscapers. We develop tree stocks to support local farmers to prevent soil erosion on hill country farms. Our plants are eco-sourced and are suited to the various climates and soil types in the Wellington region.

Open from 4th May to 4th September 2026

Mon – Fri 8am to 4pm

Saturday 8am to 12pm

Native and eco-sourced plants

Akura sells predominantly Wairarapa eco-sourced native plants. An eco-sourced plant has been grown from seeds or cuttings collected from populations of locally occurring plants. Our eco-sourced stock is easily identifiable at Akura.
